

Seacoast Science Center kicks off summer concert season

SPECIAL TO THE BEACH NEWS

RYE | The Seacoast Science Center in Rye will come alive to the sounds of some New England's best bands on Thursday evenings this summer, during the Music by the Sea concert series.

Located on the grounds of Odiorne Point State Park, SSC's beautiful ocean vistas, relaxed atmosphere and spectacular sunsets have made these outdoor concerts a family favorite.

Entrain kicks off the 2005 Music by the Sea concert series on Thursday, June 30, with their invigorating, percussion-laced, rhythmic tunes. Arrive early to see why sell-out crowds cannot sit still to this rockin' band from Martha's Vineyard. Entrain is sponsored by Liberty Mutual.

There's something new for 2005: All concerts will be held under a giant tent on the north lawn if it rains. So, bring along a beach blankets and chairs, rain or shine. Enjoy hot-off-the-grill fare, available for purchase. Visit the ice cream stand, enjoy a beverage, and

stroll along the shore. The Seacoast Science Center's doors will be open during the concerts.

All concerts begin at 6 p.m.; gates open at 5 p.m. for dining. Tickets are \$8 per person; children age 12 and under are admitted free. Tickets can be purchased in advance at the Seacoast Science Center or at the gate the evening of the concert. All proceeds benefit the Center.

The following two concerts will feature:

Hot Like Fire, well known for their reggae versions of American pop and R&B songs, performs on July 7. One of the most energetic, fun, party bands on the local reggae scene today, they have been performing at the Music by the Sea concert series since 2000.

Truffle will make their first Music-by-the-Sea appearance on July 14. Their energy and unique R&B-reggae-bluegrass-soul-Cajun sounds have shared the stage with big names across the country.

ROCKIN' — Entrain (pictured with some young fans) opens the Seacoast Science Center's summer concert series at Odiorne Point State Park.
