

Five great places to eat at Hampton Beach

HAMPTON | If you're looking for, well, anything you could possibly want to eat at the beach, look no further than one of Terry Sullivan's five restaurants.

These places cover it all — seafood, ribs, fried chicken, Gifford's Ice Cream, hot dogs, chili dogs, fries, tacos, clam chowder, salads, shaved ice — whatever you're in the mood for.

Three of his five locations are conveniently located in the Hampton Beach Casino building, across the street from the Seashell stage, and the other two are only a few steps away from that.

Terry began his career in the Hampton Beach food industry at the age of 14, and managed a concession stand called the "Dog-Cart" at only 16. After studying business management at Salem State, he bought Casino Fast Foods at the age of 22.

He was off and running. Terry now owns Casino Fast Foods, Casino Ice Cream, Casino Foot Long Hot Dogs and Popcorn, the Cascade Seaside Restaurant and Deck, and Farr's Famous Chicken, Ribs and Foot-long Subs.

All are in walking distance of each other, and cover the gambit of anything you may desire to eat at the beach.

Casino Fast Foods, Casino Ice Cream and Casino Foot Long Hot Dogs are right in the casino. They are ideal for anyone seeking a quick reprieve from the hot beach, or looking to enjoy a concert at the Seashell stage.

In the same facility, you can also find Skee-Ball, among other activities. You can stroll down the walkway and find a number of little shops — and these three are one of the only places on the beach where you can enjoy indoor, sit-down seating.

The Hot Dog and Popcorn stand, open from 10 a.m. to 11 p.m., offers more than dogs. There are candy

apples, cotton candy and shaved ice as well — and if you want more of a meal, you need only turn around. Casino Fast Foods is right there.

At Casino Fast Foods, which is open daily from 10 a.m. to midnight, there is pizza, fried seafood, burgers, hot and cold subs, fresh salads, chicken fingers and more. This one spot will cover the palates of all those you've decided to come to the beach with.

And should the mood strike you, fresh, creamy Gifford's ice cream is only steps ahead behind Casino Fast Foods. The service is always fast and friendly, and there are 24 flavors to choose from — including six new flavors, among them "whoopie pie," "cake batter" and "sticky bun."

There is also an assortment of fat-free frozen
