

# SEASHELL STAGE SCHEDULE

KEEPING OUR SEACOAST CLEAN!

**HITTING THE BEACH** — WHS MCJROTC students recently completed their second beach cleanup of the summer on the last Wednesday in July. Having recently volunteered to clean Section "D" (from "J" Street south to Concord Street) of Hampton Beach on a monthly basis, the students enthusiastically began their work at 6:30 a.m. Even at this early hour the heat and humidity were already oppressive, yet no complaints were heard. Cheerfully picking up debris which was not only unsightly but also potentially harmful to marine life, the students removed 45 pounds of trash including more than 3,400 cigarette butts. Their efforts are part of the Adopt-a-Beach Program sponsored by the Blue Ocean Society for Marine Conservation and the New Hampshire Department of Environmental Services.

## Parking meter notes

HAMPTON BEACH — Visitors to the Hampton Beach should note that parking meters cost 25 cents for ten minutes. The meters only accept American quarters - no other types of change will work. The meters are constantly monitored, and tickets are promptly issued to cars parked at expired meters. Alternative day-long parking lots with more modest fees are available at Hampton Beach along Ocean Blvd and Ashworth Avenue.
