Every lady who sends her name and address will receive by mail from a trial box of a beautified beauty's skin cream for beautifying the complexion and removing the only cause of skin blemishes.

FANNIE B. BOSTON.
Dear Mr. Smith, my face has for the last two months been covered with a red, pimply, blotchy eruption, which was very annoying and made me feel very unbecomingly. I had tried many different remedies, but nothing seemed to do any good. I had heard of your skin cream, and I decided to try it. I received your trial box, and I used it as directed. In a few days the eruption had almost entirely disappeared, and my skin was so much improved that I felt like a new woman. I have now used your skin cream for several weeks, and I can truly say that it has done for me what no other remedy could do. I am now so happy and confident that I can truly say that your skin cream is the best I have ever used. I am sure that it will do for many other ladies who are troubled with skin blemishes. I am, dear Mr. Smith, your very grateful customer, FANNIE B. BOSTON.
