Book Sale Results are In!

One word describes our most recent book sale: wow!! Through the hard work of many and countless donations, the

Friends raised just under \$3,000. This is AMAZING considering that this sale didn't include a raffle or bake sale. Thank you to everyone who helped out.

Ruth Stimson Note Cards

Ruth Stimson was a well-known educator, community leader, environmentalist and artist. She was a Hampton resident and served in several capacities for the Lane Memorial Library. She was a member of several organizations including the Hampton Garden Club and Historical Society. After her death, her artwork was given to the Lane Memorial Library and sold at a silent auction. Several pieces have been selected and reproduced as note cards. The note cards are available for sale as a fundraiser for the Friends of the Lane Memorial Library. There are two sets of five cards for \$10.00 per set. We are honored and excited to be able to make her work available for all of us to enjoy.

Special Thanks

We would like to thank Bill Faulkner, REALTOR, Senior Specialist of The Massiello

Group, 460 Lafayette Road, Hampton, NH for his generosity in printing the membership brochure. Your help is always appreciated.

A blooming thanks also goes out to Bob Frese and Sue Corbett for maintaining the plants in the barrels outside of the library. Nice job!

Get Involved! Friends Plan Holiday Fair

Mark your calendars for the Friends Holiday Fair and bake sale which will be on November 17th and 18th. We will be selling doll clothes to fit the American Girl dolls and Bitty Baby. We also have the 2006-2007 limited edition American Girl doll for a raffle. We will be doing the wreath raffle again this year and have many handmade items donated by members. We are also narrowing in on an item for another children's raffle. An electric HO Scale electric Thomas & Friends train set has been donated to The Friends. It, too, will be raffled. Lots of items from which to choose this year!

There will be a General Meeting on Wednesday,

October 11th at 6:00 p. m. at
the library to discuss the ideas
that the Holiday Fair Committee
has put together.

Please come in your holiday
spirit and be part of this fun
event.
