

CHILDREN'S NEWS

NEW TUNES FOR TOTS

One of the hidden treasures at the library has been the collection of children's music CDs. Until now, the collection was part of the CD collection available upstairs in the library. Thanks to the initiative of the Friends of the Library and the skill of Bob Thompson, a new rack was created so that room could be made in the Children's Room for our 65 CD collection.

Plans are in the works to expand the collection to include more Disney CDs. Soon to be added is the CD by Steve Blunt, one of our heroes for our summer reading program. Your suggestions are encouraged as this collection will represent the music that our children are excited about.

Some of our newest titles are:

The Wiggles –
Go to Sleep, Jeff

Wiggly, wiggly world

Yummy, Yummy

Wayne from Maine –
Happy as a Clam

Baby Einstein –
Baby Bach

Baby Galileo

Baby Mozart

Also being collected are healthy snacks that are "kid-friendly." Bring in juice boxes and non-perishable snacks until August 5th. This collection
