

CHILDREN'S NEWS

February Events Around the World

Visit the library all month long to learn about all kinds of different things—from Black history to groundhogs to valentines to presidents to Olympic games. You can find it all here.

February is Black History Month, a wonderful time to discover our African American writers, or simply learn more about the important contributions this group has made to U.S. history.

I am anxious to find out whether Phil will see his shadow or not on Groundhog Day. What do you think? Will we have six more weeks of winter? Have we really had winter yet? What exactly is this thing called winter? And

can we really trust a groundhog for our answers? Come explore the library to find the answers to these questions and more.

Hearts, candy, flowers...what is the story is behind the pink and red holiday we call Valentine's Day. Be sure to check out some Valentine's Day stories and crafts. The books are on a special cart for easy browsing.

Also, in honor of Valentine's Day, the Friends of Lane Library are sponsoring a Sweetheart Tea for boys and girls aged 3 to 8 and their parents. It is an opportunity to meet other families, do crafts, listen to stories, and enjoy some Valentine's Day

treats. There will also be a raffle for a beautiful sweetheart basket. Alas, if you haven't already signed up, you will have to create your own special tea time. As of this printing, both teas are already full.

Presidents' Day gives us a chance to celebrate the lives and accomplishments of two presidents: Abraham Lincoln and George Washington.

Finally, spend the month in Italy with Torino 2006. The Winter Olympic Games will be in Turin, February 10-26. A perfect opportunity to learn about Italy, build your knowledge of winter sports, and cheer the athletes on!
