ANIMAL SLEEP OVER AT THE LIBRARY!!!

What would your stuffed animal do if it had a sleep-over in the Children's Room of the Lane Library? Would it join a story time? Play on the computer? Read a magazine? Listen to an audiobook?

Your animal will be tagged with your name and number on it, so it won't get mixed up with anybody else's.

We'll take photos of how your animal used the Lane Library and send a copy on to you. We'll also print out a copy and post it in the Children's Room with your first name and that of your animal, so everybody sees what a good time it had!

This film has it all: laughs, romance, music, danger, New York City, a feisty chipmunk, and helpful cockroaches.

This event is specifically for children ages five to ten. PLEASE NOTE that youngsters aged six and under MUST be accompanied by an adult throughout the film.

Find out, by bringing one of your dolls or stuffed animals (NOT your favorite one, though. You'll want to keep that with you!) into the Children's Room on

The following day (Tuesday, April the 15th) you can pick up your animal in the Children's Room and take it back home with you.

Once I'm in My Bubble Bath

*Once I'm in my bubble bath
I like to stir up more.
Half the suds go in my eyes
And half go on the floor.
The fun is in the bubbles 'cause
They giggle on my skin,
And when I stick them on my face
They dangle from my chin.
And when I splash them hard enough
They pop and disappear,
And then my bath time's over 'cause
I've made the water clear.*
