

Centre School's Summer Reading Suggestions Entering Grade 2

The summer is a great time to read for pleasure. Sometimes it is hard to decide what to read next. When this happens, talk to friends to see what they are reading, go to a bookstore and look at the books on display to see if any are interesting and, of course, visit the library for ideas—their books are free. Also, try some of the books on this list. So find a spot under a tree, on a blanket at the beach, or a quiet spot in your house and let the adventures begin!

Since some of these authors have written so many good books, try more than one.
